

### EQUESTRIAN BUILDINGS

Scotts is the country's leading supplier of bespoke timber equestrian buildings with an unrivalled reputation for design, quality and customer service. The Scotts service includes initial design through to on-site construction. Whether a complete yard complex, an American barn or a simple field shelter is required, Scotts provides the perfect solution for you and your horses.

### SUMMERHOUSES

Scotts manufactures and supplies distinguished summerhouses and garden buildings, in all shapes and sizes. The range of sumptuous summerhouses will enhance any garden setting or equestrian yard, providing the perfect hideaway.

### LEISURE BUILDINGS

Bespoke leisure buildings can be supplied for a variety of purposes. Scotts has a wealth of design and manufacturing experience to create distinctive and engineered timber buildings. They are purpose designed, adaptable and versatile and manufactured to suit your exact needs.

### GARAGES AND CAR BARNs

Scotts garages and car barns can be created to accommodate your treasured motor vehicle, whether a cherished classic car, quad bike, tractor or a family runabout. Scotts bespoke timber garages, car barns and workshops are designed and manufactured for each specific application.

### FEATURE TRUSSES

Decorative bolted trusses are often specified to make an impact in new homes or renovation projects. Scotts can produce feature trusses to suit the architectural character of the property and to create an open and spacious feeling to any room.

### TIMBER ROOF TRUSSES

Scotts designs and supplies all structural roof components to suit your equestrian project. Scotts manufactures bespoke roof trusses to take slates, clay tiles or cedar shingles, for example, so that new buildings can match existing and surrounding ones.

# Stable Doors & Windows

Scotts of Thrapston is the country's leading manufacturer of timber stables and equestrian buildings, with an unrivalled reputation for design expertise, quality and service.

Alternatively, if you are building stables in brick or updating older stables, Scotts offers high quality stable doors, windows and accessories to meet your build requirements.

Made to measure oak stable doors

## STABLE DOORS

From a standard two-part 'Newmarket' stable door & frame, with galvanised steel lining and capping, through to rear top doors and sliding barn doors, Scotts can assist with your project.

Manufactured to an exceptionally high specification, Scotts stable doors are supplied with a tongue and grooved clear vacuum pressure treated finish with a base coat stain ready for additional staining or painting. Additional coats of preservative stain or microporous paint from the Valtti range can be applied, for an additional cost. If preferred, they can be colour matched with your property's paint work, for a cohesive look to your stables and home. The following doors can be supplied, in standard or bespoke sizes, to suit your yard:

- **Newmarket stable door and frame**
- **Pony height stable door and frame**
- **Sliding barn doors**
- **Garage and barn doors and frames**
- **Bottom stable door and frame**
- **Rear top door and frame**
- **Glazed rear top door and frame**
- **Tack room door and frame**
- **Feed room door and frame**

## STABLE WINDOWS

Louvred laminated glass windows, with galvanised frame and internal grille, are standard for many stables as they offer controllable ventilation and security. The Scotts louvred window design is available in a standard size or can be manufactured to individual specifications.

In addition, Scotts designs and manufactures specialised stable windows to fit in with your project. Scotts is able to supply a variety of alternative styles and options, including hopper windows as well as standard casement windows for offices or workshops.
